**The Life of a Frog**  
Name: \_\_\_\_\_  
Cut and glue the pieces in order. Then write about each step.

 First, there are eggs.

 Then it grows to be a tadpole.

 Next, is a froglet with arms + legs.

 Last is a frog.

**The Life of a Frog**  
Name: \_\_\_\_\_  
Cut and glue the pieces in order. Then write about each step.

**Frog Life Cycle**  
Name: \_\_\_\_\_
