# FAIRY TALE BUNDLE

## Retelling Mat & Vocabulary Cards

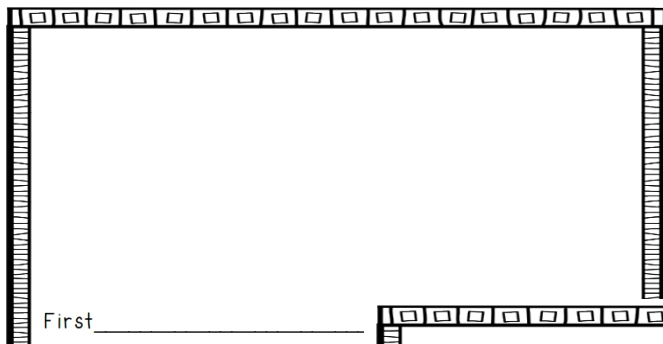

Practice orally retelling and discussing the story with a retelling mat and vocabulary cards!

# FAIRY TALE BUNDLE

## Retelling Book & Summary Writing

Use the oral retell to help students write a retell! Includes options for 3 versions of the retell book to choose from!  
Also includes basic cut and glue words for struggling students!

Cut out the pieces. Read the parts of the story. Glue them onto the correct page to tell the story.

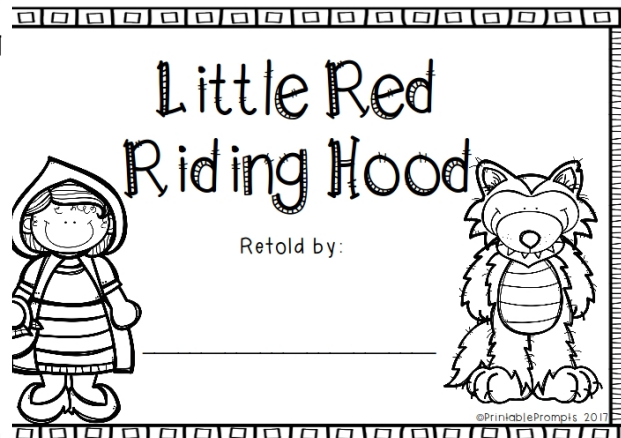

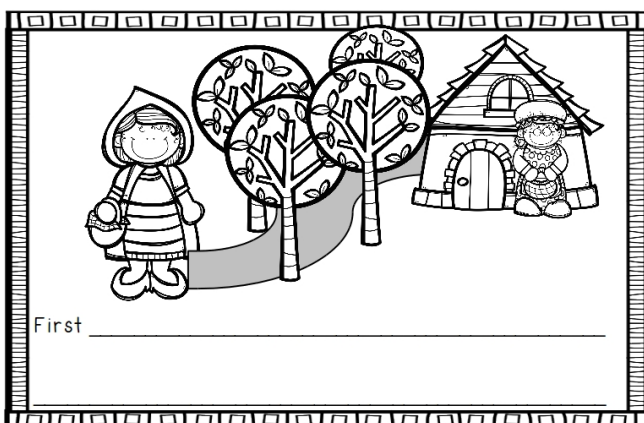

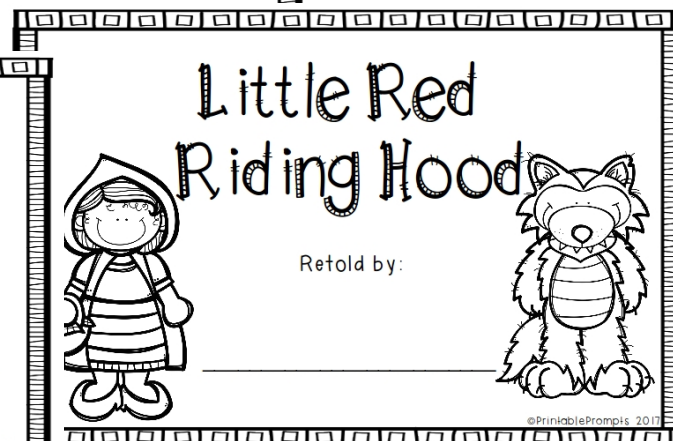

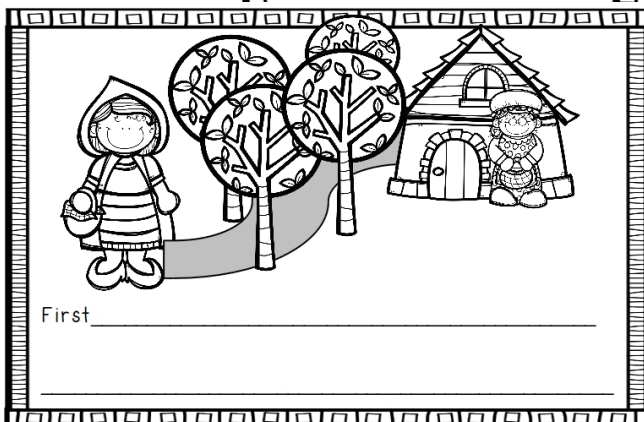

First, Little Red was going to bring bread to Granny. Her mom said, 'Do not stop in the woods'

Next Little Red met a wolf. She told the wolf she was going to Granny's.

Then the wolf snuck away to Granny's.

After that Little Red got to Granny's, but Granny was not there. It was Wolf in disguise!

Finally, a wood cutter saved Little Red and Granny from the wolf.

## Math Extension

Numbers, Counting, Addition & Subtraction (Activities vary by resource)

### Magic Bean Bump!

**You Need:**

- \*A Partner
- \*10 counters/cubes of the same color (different color from your partner)
- \*2 Dice
- \*Magic Bean Bump mat

**To Play:**

Roll 2 dice. Add.  
Cover the sum with one of your counters.

Take turns.

If your partner rolls the same sum as you, they can bump your piece off!

If you roll the same sum again, stack a second cube/counter on top. This locks your spot. You can't be bumped from that spot!

Can you get all of your counters on the board.

### Magic Bean Bump!

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Roll two dice.  
Color a bean with the matching number.  
Use a different color and take turns to play with a partner.
